Visitor hereby assumes any and all such risk. The Club assumes no responsibility for, and shall not be liable for the care, protection, and/or security of the Visitor and the Boat. Visitor hereby releases Club from any and all liability for loss, death, damage or injury (collectively "injury") to any person or property arising out of or in connection with the condition or use of the Boat or the condition or use of the Club or its services, whether such Injury is caused by or through the acts or omissions of the Club or by any other cause whatsoever, including but not limited to, fire, theft, weather condition, etc., except for Injuries due to Club's gross negligence or willful misconduct. Visitor and Visitor's insurers agree to waive any right to petition for exoneration from or limitation of liability under the laws of United States in the event the Boat is involved in any casualty resulting in personal injury, death or property damage while docked at the Club or in connection with this Agreement.

Visitor acknowledges that they have read and fully understand this Agreement and the Visitor's Guide to Club Facilities.
