Construction at Es Baluard has led us to move the venue of our opening party to Restaurante Casa Eduardo next to the marina where most of the charters will be located. We have locked in our event plans and made deposits and it's time to collect the balance of our expected event fees. We have 22 boats joining in, approximately 110 people. It is a perfect time of year to be in Mallorca and we should have a great time!

We still estimate our total event expense to be \$800 per person covering costs for five events, some dockage fees, and admin expenses. This compares with our 2020 estimate of \$700. We asked for an initial deposit of \$150 per person, so are now asking for the additional \$650. The event fees are non-refundable but transferable to another person. If part of a crew, please indicate your skipper with your deposit. If a skipper, please forward this request to your crew. If you know the name of the boat you will be in; please include that.

We also would like to use this opportunity to collect some additional information to help manage the event.

1. If you plan to use your US cell phone with international roaming, please record it in the form.
2. If you know your travel plans please let us know your arrival date / time in Palma.
3. If arriving early, please let us know where you are staying.
4. If you have any food allergies, please inform us.
