

Circular # 2 Registration

All

Plans are moving along well for our cruise in September. While we are still finalizing some party venues, we have a reasonable idea of our costs and will soon have to make some deposits to secure our spots. Twenty-five crews, totaling 159 people have signed in to indicate their interest.

We now ask those of you who are aboard for the cruise to register and make an initial deposit.

We estimate our total event expense to be in the range of \$800 per person covering expenses for five events, some dockage fees, and admin expenses. This compares with our 2020 estimate of \$700. We ask for an initial deposit of \$150 per person, which would be non-refundable but transferable to another person. If part of a crew, please indicate your skipper with your deposit. If a skipper, please forward this request to your crew. If you know the name of the boat you will be in; please include that. If it is a charter and you do not know the boat's name, indicate Charter and a description of the boat if you have it.

To register, please go to <https://cruisingclub.org/event/mallorca-2023/register>

Regards

Les Crane and Howie Hodgson - Co-Chairs

P.S. If you are looking for gift ideas, Team One has our logo on file.
