

Welcome CCA Members, Committee Chairs,
Governing Board, Station R/Cs and Post
Captains to our first ever virtual Fall Meeting!

Welcome to the Fall Meeting.

We extend a warm welcome to the Cruising Club of America's 2020 Fall Meeting.

This year, unlike any previous year because of the COVID-19 pandemic, we will be making adventurous use of the air waves as we embark on an entirely virtual Fall Meeting using video conferencing. While we will miss the camaraderie of meeting face to face; socializing with one another; and enjoying the sights of Seattle, there is the opportunity for more of our Members to attend and participate in the committee meetings and contribute to the vibrancy of our truly outstanding Club.

We are indebted to the leadership of Susan Stillman, Fall Meeting Chair; Anne Kolker, Events Chair; Michael Moradzadeh, Web Master; Vice Commodore, Chris Otorowski and numerous others who have made the necessary arrangements for our 2020 Fall Meeting. And special thanks to all of our hardworking committee chairs and committee members for persevering through this Covid year.

Please be part of history and make this the best ever virtual CCA Fall Meeting.

Bob Medland
Commodore
